ChinaCache to Participate in Morgan Stanley Flagship China Internet & E-Commerce Conference

BEIJING, Aug. 22, 2014 (GLOBE NEWSWIRE) -- ChinaCache International Holdings Ltd. ("ChinaCache" or the "Company") (Nasdaq:CCIH), the leading total solutions provider of Internet content and application delivery services in China, today announced that it will participate in Morgan Stanley Flagship China Internet & E-Commerce Conference on Monday, August 25, 2014, at the Four Seasons Hotel in Beijing, China. Management is scheduled to present at 12:30 pm local time on August 25, 2014.

Management will meet with institutional investors throughout the event. For additional information, please contact the institutional sales representative at Morgan Stanley.

About ChinaCache

ChinaCache International Holdings Ltd. (Nasdaq:CCIH) is the leading total solutions provider of Internet content and application delivery services in China. As a carrier-neutral service provider, ChinaCache's network in China is interconnected with networks operated by all telecom carriers, major non-carriers and local Internet service providers. With more than a decade of experience in developing solutions tailored to China's complex Internet infrastructure, ChinaCache is a partner of choice for businesses, government agencies and other enterprises to enhance the reliability and scalability of online services and applications and improve end-user experience. Safe Harbor Statement

This announcement contains forward-looking statements. These statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "future," "intends," "plans," "believes," "estimates" and similar statements. Among other things, the outlook for the third quarter of 2014 and quotations from management in this announcement, as well as ChinaCache's strategic and operational plans, contain forward-looking statements. ChinaCache may also make written or oral forward-looking statements in its reports filed or furnished to the U.S. Securities and Exchange Commission, in its annual reports to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statements, including but not limited to the following: the Company's goals and strategies, expansion plans, the expected growth of the content and application delivery services market, the Company's expectations regarding keeping and strengthening its relationships with its customers, and the general economic and business conditions in the regions where the Company provides its solutions and services. Further information regarding these and other risks is included in the Company's filings with the U.S. Securities and Exchange Commission. All information provided in this press release is as of the date of this press release, and ChinaCache undertakes no duty to update such information, except as required under applicable law.
